Summer Session Begins

MAY 2017

Summer Classes

Dancin' School offers a six week summer program for all of the dancers who are serious about their dance training. All company members are required to dance during the summer. If you hope to be in a company someday, want to advance to a higher level, or those ballet students who aspire to dance en pointe someday, all need to continue their training during the summer. From the time we finish the revue to the first class of fall is three months. In this time, the muscles have lost their motor skills that were so hard to gain during the spring therefore a dancer has to virtually start over. It takes just as many weeks to get "it" back.

Early Bird Gets the Prize

To ensure that each dancer gets into the class that works best for their schedule, we strongly suggest that you take advantage of this pre-registration opportunity. Early registration will guarantee your spot in the class. You will receive a \$10 credit on your account if you pre-pay your summer session or pro-rated august tuition, and a \$25 credit when you pre-pay for both summer session and your pro-rated august tuition. Deadline for early registration is May 13 at Noon.

Calling All Moms

Would you like to be backstage with your little one for the Revue? We are now taking names and auditioning for Room Moms and other stage help. We are limited on the number of Room Moms needed. Once you have given us your information and which class you'd like to help with, we will narrow down our candidates. Room moms will be required to attend any of the Mandatory Room Mom Meetings. In appreciation, all of the moms selected as backstage volunteer will receive a \$20 credit coupon on their account, once your name tag and lanyard has been returned to the office.

The Bojangles Scholarship

Each year, Dancin' School praises a student for their commitment and dedication to dance and the community. We are searching for the dancer that exudes everything that we're about: passion for dance, grace in the face of adversity, and strength to overcome obstacles to say the least. To apply, we ask that you write an essay entitled "What Dance Means to Me". All dancers 12 and up are invited to participate. You are required to be enrolled in the school and taking all three subjects: Ballet, Tap & Jazz. As a Bojangles winner, you are expected to continue your dance training and maintain the same standards for which you were awarded the scholarship. Besides the full year's tuition and registration, you will be showcased in the annual Dancin' School Revue. All essays are due by May 20. There will be no extensions.
