Thank You

The Dancin' School Staff would like to thank all of you for your hard work and professionalism at Jones Hall for the 42nd Annual Revue. A special thank you to all of the volunteers who stayed backstage to support our dancers and make sure we all made it on stage looking beautiful. We could not have done it without you.

Bring a Dude to Dance

Introducing our first annual Bring a Dude to Dance Week during the week of June 25-30. You are invited to bring your Dads, Uncles, Brothers, Cousins or Friends, to join your ballet class. They will experience the fun, dedication, and hard work it takes to be a true ballerina.

Bring Your Friend to Dance

Introducing our sixth annual Bring a Friend to Dance Week on July 23 - 28. You are invited to invite your BFF to see how you spend your time. No previous training or dance wear required. This is for fun. If you take lots of classes you may bring lots of friends or bring the same friends lots of times.

Ready, Set, Fall Registration

Don't lose your spot in your favorite class. We know your weekly schedule gets hectic once school starts. Get your dream dance schedule by registering early. Skip the lines. Don't wait for the first week of classes.

Class Placement

The level at which you dance is decided by the instructors at Dancin' School. The child or parent is not qualified to evaluate a dancer's ability. Advancement is possible at any time so work hard every class. Do not attend a class that is above your level without permission. The only way to attend a higher class is if you are registered and attend all of the classes offered at your level. Then and only then may you regularly audit a class beyond your ability if you have the approval of Ms. Cookie or Ms. Tran. Taking a class that is too hard for you is not only disruptive to the rest of the dancers, but it will lead to bad habits, incorrect form, and sloppy technique. The Dancin' School staff has collectively hundreds of hours of experience and they are all experts in this field. Trust us. We have the best interest of all of our students at heart and are determined that you succeed.
